PRESIDENT'S WELCOME 2024

WELCOME TO THE NORTHSIDE RENTALS OPENING CEREMONY OF THE 54TH SHINJU MATSURI.

Thank you for joining us for this fantastic celebration of Broome's diverse culture, pearling history and natural beauty, made possible by the Western Australian Government, Tourism WA, Lottery West, DLGSC, and the Shire of Broome, as well as many local sponsors.

This year, we are excited to once again deliver our core events, many of which are free and include the spectacular Float Parade led by Sammy the Dragon through the streets of Chinatown, the Carnival of Nations, showcasing the town's growing multiculturalism, Art Awards, the Floating Lantern Festival on spectacular Gantheume Point, Senior Citizens Morning Tea, and everyone's favourite—Pets in the Park.

Back again, are the unique and delicious dining events, Chinatown Feast, Long Table Dinner and our newly added, Sunset Cocktails on Cable Beach. We also invite you to dance the night away at our 20's themed Ball and join in the numerous events and activities hosted by Community organizations, whom we thank for their enthusiastic participation.

The ever-popular HUB at Town Beach is back with many daily activities, music by local performers, or you can just relax and enjoy a drink at sunset, looking out over Roebuck Bay.

Thanks to Saira and her team at Kimberley Special Events, as well as the Board, for their dedication and hard work over the past year, to bring you a diverse and exciting programme and we encourage you to enjoy as many of the events and activities as you can over the next two weeks!

Let's make the 54th Shinju Matsuri a celebration to remember!

A MESSAGE FROM THE WESTERN AUSTRALIAN GOVERNMENT

The State Government is a proud sponsor of the 2024 Shinju Matsuri through the Regional Events Program (the Program), delivered by Tourism Western Australia (Tourism WA).

The Program supports medium to large events in regional Western Australia to boost tourism and local jobs, increase community vibrancy and participation, particularly outside of the typical tourism season, and further develop regional areas.

It also plays an important role in positioning Western Australia as an exciting destination to visit and a great place to live by showcasing and promoting a region's unique points of difference and diverse attractions, particularly through media coverage of events.

Regional events provide an opportunity for local, interstate, and international visitors to go beyond city limits and experience the unique features of each of our State's wonderful regions.

Tourism is a key part of the State Government's plan to diversify the economy, create jobs and develop business opportunities, through helping regional economies and communities to grow and thrive.

Events are a vital part of this plan, with the State Government sponsoring a range of sporting, cultural, arts and culinary events across the State, through Tourism WA, to attract visitors and encourage them to stay longer, disperse further and do more while they are here.

We hope everyone enjoys this event and takes the time to explore the dreamlike Kimberley region.

A MESSAGE FROM DIVINA D'ANNA

My name is Divina D'anna, and I proudly represent the Kimberley region in the WA state parliament as the Member for Kimberley. It is with great honour that I extend a warm welcome to each and every one of you to the Shinju Matsuri Festival of 2024.

This cherished occasion, known as the Festival of the Pearl, has been an integral part of Broome's heritage for an impressive 54 years. As we gather here once again, we embrace the return of visitors from around the country and the world to our beloved Broome. Whatever your budget or family size, I am confident that the festival's diverse array of events will cater to all, as we mark the fifty-fourth anniversary of Shinju Matsuri.

Last year, the WA Cook labor government announced continued funding for the next three years for Shinju Matsuri, showing our commitment to this long-running festival. This investment showcases our commitment to the ongoing success of Shinju Matsuri, an event that holds a special place in our hearts.

I extend my heartfelt gratitude to the countless individuals, both local and statewide, who have contributed tirelessly to the meticulous planning, creative design, and seamless execution of this premier cultural celebration in the West Kimberley.

Shinju Matsuri is a testament to the history of pearling, the vibrant essence of our community, and the tapestry of cultures that define our town.

Be it the dazzling float parade and mardi gras, the vibrant carnival of nations, the culinary delights of our gourmet dining experiences, the soulful floating lantern matsuri, or simply basking in the warm glow of Sammy the dragon's iconic lights, you are bound to discover an event that resonates with your spirit.

As you immerse yourself in the festivities, I encourage you to embrace the very best that this year's event has to offer in our stunning corner of the world. Join us in celebrating, reflecting, and savouring the myriad offerings of our remarkable town.

Divina D'anna MLA
Member for Kimberley

A MESSAGE FROM THE SHIRE OF BROOME

Chris Mitchell
President
Shire of Broome

Welcome to everyone attending the 2024 Shinju Matsuri Festival, whether you are a resident or visitor to our beautiful town at this magnificent time of year.

Now in its 54th year, Shinju Matsuri is a vibrant and meaningful tribute to Broome's unique cultural fabric woven by the traditional people of these lands and everyone who contributed to our rich multicultural heritage and a chance to connect with stories.

As we revel in the whirlwind of colours, sounds, and tastes, let us remember that the Festival of the Pearl is also a legacy of Broome's pearling industry and the diverse, vibrant, resilient, and creative community that has thrived around it.

Of course, there is plenty to look forward to as well—from art exhibitions and community events to fine dining, artistic performances, and, for the first time in Broome, a spectacular drone show at the Shinju Closing Ceremony.

The Shire is a proud sponsor of the finale, and I am delighted that it will culminate in such a unique and, by all accounts, beautiful way.

We are not the first place to hold a drone show, but I cannot think of a better location to view such a spectacle than in the skies above Guwarri Town Beach and Roebuck Bay.

But there will be plenty to see and do before then. Shinju Matsuri offers something for everyone, which is why the Shire is once again a proud funding and presenting partner in 2024.

FREE (+ \$20 kit)

The Horizon Power Floating Lantern Event is a free community event. If you would like to participate in the float we encourage you to pre purchase your lantern kit before the festival begins.

Environmental Considerations - the Shinju Matsuri team works hard to ensure that no lanterns are left to float out to sea, polluting our ocean. All lanterns are retrieved and reused each year. Please consider the environment when decorating your lanterns at home. While we do recover the lanterns, we strongly advise against using glitter or non-water-soluble paints.
